SENATOR HARTNETT: Yeah.

SENATOR WESELY: I am going to go ahead, and you know, all I am suggesting is in the past we have always targeted primary economic units, not retail, but I understand the rurals' and the small towns' problem, but I just am raising a concern but I will wait until Select to deal with it. Thank you.

However, there has been a new motion filed to pull LB 1328, so it is off the agenda. I know some people had been discussing whether there is any time limit on pulling bills from consent calendar. In the rules, it appears
